No SNOW POLICY

In the event it becomes necessary ***in the sole judgment of JP Tours*** to cancel any tour for lack of snow, JP Tours will do their best to waive all cancellation charges and penalties set forth by the company and refund all moneys paid to, or on deposit with the suppliers of transportation in accordance with the refund policies as set forth by the airlines and suppliers [lodging and transfer companies]. In the event of no snow, JP Tours will do its best to provide the group with an alternate ski destination, but still must adhere to the cancellation policy at the individual lodging companies. These policies vary by lodging company and some do not have a policy for no snow.

CONDITIONS CLAUSE

JP Tours acts only as agent for the owners or contractors providing services including lodging, transportation or other services and is not liable for injury, loss, or damage to or in respect of any person or property on this tour package. While JP Tours makes every effort to guarantee these prices, they cannot absorb such price increases beyond their control including fuel surcharges, tax increases, bankruptcy by airlines or suppliers or any other act outside the actual control of JP Tours. Trip participant[s] must absorb these increases. In the event of irregularities due to inclement weather, JP Tours is not responsible for providing hotel rooms, meal vouchers, travel on other airlines or other mode of transportation or payments for any other airlines or other expenses incurred. It is the policy of JP Tours to write letters to vendors on behalf of the club [organization] to attempt to recoup additional out-of-pocket expenses incurred by the club or its members arising from any such circumstances. This letter would be sent in conjunction to one sent from the club, describing the incident in detail.
